

email feedback from society visit Monday 11th

Hello again mike, just a word of thanks for our society day with you on Monday.  
11.7.16.

EVERYONE in our society that attended (26) have had nothing but praise to say about their day with you, the course is visually stunning and plays just as good as it looks, ALL your staff were helpful, friendly and professional, office staff, bar staff, waitresses, pro shop staff were great and a special thanks to your chef whose name escapes me, who came out to greet me, tell me what he was doing and when was best for US to have it. The food was excellent and filling. (please pass on our thanks to him) Believe you me this is not how most of the courses I've booked over the years are run. EVERYONE wants to return so you will be hearing from me again.

THANK YOU.

ANDREW ROLLINSON SECRETARY  
KIPPAX WELFARE GOLF SOCIETY.
